AGC of Utah 21st Annual Safety Conference & MSHA Spring Thaw

FOCUS ON SAFETY

AGENDA

7:00AM – 7:30AM Registration & Vendor Time

7:30AM – 8:45AM Breakfast & Kickoff Speaker

Sean Bott: Built to Last: "Creating a Culture of Safety that Inspires Learning"

In the Art of Connection, master Mentalist Sean Bott will explore simple, proven tools to create work cultures where workers feel seen heard and felt, opening the lines of communication, increasing retention, and ultimately resulting in stronger, better relationships. All while making you laugh, gasp, and enjoy.

Sean Bott

8:45AM – 9:00AM Break/Vendor Time

9:00AM – 9:50AM Session 1

Room #1

MSHA – Final Rule Workplace Examination

Mike Tromble, MSHA

MSHA's final rule amends agency standards for metal and nonmetal work-place examinations.

Room #2

Fall Protection for Working on the Leading Edge

Lance Williamson, Vice President – West, Shur-Sales & Marketing

This class will cover the issue of Leading Edge fall protection and how to calculate fall clearance requirements for various connecting systems.

Room #3

The Cost of Safety is Worth it

Presenter TBA

Every project manager, superintendent, or safety director should know the impact that safety has on the cost of the project.

9:50AM – 10:00AM Break/Vendor Time

10:00AM – 10:50AM Session 2

Room #1

MSHA: Just The Nuts and Bolts 46 & 48 Training Records

Fred Sanchez, MSHA

This session covers a simplification of MSHA record keeping requirements and best practices.

Lunch

Dave Roskelley: "Mount Everest: So You Think Your Workplace is Unsafe?"

Climbing the world's highest summit at 29,029 feet above sea level (8,848 meters) presents many unique health and safety challenges. Cold and heat stress, ladder safety, ultraviolet radiation, and slips, trips, and falls are just a few of the demands. Mr. Roskelley will describe his experiences at the "Top of the World" as viewed through an EH&S lens.

Dave Roskelley

Conference meets the AGC/WCF Workers Compensation training requirements
