**AGC Utah Names Industrial Supply Company, "Supplier of the Year"**

Salt Lake City, UT - Industrial Supply Company (ISC) has been named recipient of the "Supplier of the Year" Award given by the Associated General Contractors of Utah (AGC).

Announced at the AGC's annual awards breakfast, Saturday, January 28, the award represents general contractors, specialty contractors, and service/suppliers that have been committed to the principles of skill, integrity and responsibility in their business, and to the support of the construction industry.

"We are very honored to receive this award. We are happy to be the premier supplier to so many local businesses in Utah for so many years," said Jessica Polychronis, VP of Procurement and Marketing and Industrial Supply Company.

The Supplier of The Year award will be added to the collection of other prestigious awards that Industrial Supply has earned. Recently, ISC won the AutoLiv Supplier of the Year, the Yellow Coat Elite Award, the *Industrial Distribution Magazine* Future Leader Award and the *Utah Business'* Entrepreneurs of the Year Award. Industrial Supply credits its ability to prosper for more than than 95 years through dedication to customer satisfaction, and a capacity to adapt to an ever-changing business climate.

###

AGC is the source for Utah's news in the construction industry. Issue experts are available to offer insights and analysis on a wide range of issues including economic trends, legislation affecting the construction industry, green construction, safety training and contract documents. The Associated General Contractors is an association for companies in the construction contracting business including buildings, highways/utilities, heavy industrial and specialty areas.

**Industrial Supply Company**, headquartered in Salt Lake City, Utah since 1916, provides maintenance, repair, operations and production (MROP) materials for the construction sector, as well as for manufacturing, energy, utilities, mining, and government. In addition to supplies, Industrial Supply also offers customized services that enable customers to increase productivity and manage their inventory.
