**INDUSTRIAL SUPPLY'S VICE PRESIDENT
NAMED ONE OF UTAH BUSINESS MAGAZINE'S WOMEN TO WATCH**

Jessica Yurgaitis among 30 women honored for excellence in business

SALT LAKE CITY, UTAH, May 1, 2014—Jessica Yurgaitis, Vice President of Sales and Marketing at Industrial Supply Company, has been selected as one of 30 Women to Watch by Utah Business Magazine. Yurgaitis will be featured in the May 2014 issue of the magazine and honored at a luncheon on May 22.

The award recognizes women in Utah who have shown excellence in their professional achievements, community involvement, leadership capabilities and impact on their industry. Candidates are nominated by their colleagues and peers.

The Park City native started out working the warehouse floor while getting her degree at the University of Utah and then came up through the ranks to her current position at Industrial Supply, the largest, privately held supply and tool distributor in the Intermountain West. She oversees an 18-member sales team, manages marketing and advertising efforts for the company's eight locations, and nurtures long-time supplier relationships with Industrial Supply's top customers.

Yurgaitis has been instrumental in creating a company culture that strongly values minority and female participation and nurtures underrepresented groups to become part of the leadership of the company. She is also involved in efforts to encourage diversity in business by helping minority-owned and women-owned businesses become 8-A certified through the Governor's Office on Economic Development Mentor Protégé Program.

"I'm both honored and excited to be included with such an outstanding group of women," said Yurgaitis. "I love what I do, and I feel lucky that I have the opportunity to help create an atmosphere where other women in my industry can shine."

About Industrial Supply Company

Industrial Supply Company has served the construction, manufacturing, mining, government and industrial community since 1916. This Utah based maintenance, repair and operational (MRO) distributor has eight locations in the Intermountain West, which serve Wyoming, Nevada, Utah and surrounding areas.

In addition to supplies, Industrial Supply also offers customized services that enable customers to increase productivity and manage their inventory. These services include product specialist reviews, vendor management inventory (VMI), safety training, storage and shelving design and tool repair. Visit www.indsupply.com for more information.
