Industrial Supply Company Raises \$22,000 to Support the Utah Food Bank

September 29, 2021 – Industrial Supply Company announced today that its charity golf tournament raised \$22,000 for the Utah Food Bank. Since the 1990s, this annual event has been a chance for Industrial Supply leadership, staff, and supplier partners to raise awareness and financial support for important causes.

Jessica Yurgaitis, Senior Vice President of Marketing and Product Management, noted that now is a particularly important time for Industrial Supply to support the Utah Food Bank.

“The pandemic significantly increased food insecurity in Utah, and sadly, the Utah Food Bank continues to see an increase in the need for its services, as more and more Utahns struggle to feed their families,” said Yurgaitis.

Industrial Supply has been an active supporter of the Utah Food Bank since 2007. In addition to holding food drives and volunteering employee time, the company has raised almost \$207,000 for the nonprofit.
